Notes from the District 15 School Board Meeting

April 25th, 2007

Spotlight on the Board is a collection of notes taken at the District 15 School Board meetings by Frank C. Whiteley PTA's newsletter editor, Jennifer Mondy. They are meant to help parents and staff who are unable to attend the Board meetings on a regular basis to keep informed about the issues and plans affecting the district. These Notes are not endorsed by District 15 or the Board of Education. Below are the highlights from the April Committee of the Whole meeting.

Transportation Status Report

Bus routes have not yet been finalized. Recent pedestrian time and traffic studies indicate that Virginia Lake School in Palatine needs a dismissal time of at least 25 minutes prior to Palatine High School.

District Administrators Working with Legislators

Concern was raised regarding administrators testifying on legislation as District representatives without Board agreement. Discussion involved establishing a committee to review legislation that directly impacts the District and developing position statements as a Board.
